**CONSULTANT QUESTIONS**

Q1: On page 6 of the advertisement for BCS 2014-17, it states that "Key Staff individual experience shall be recent experience performed within the last three (3) years." Does this mean that any project experience shown on a Key Staff's resume (1/2-page or full-page) has to be worked on or completed within the timeframe of June 2012 to the present time? May we include projects on the resume that have been worked on or completed within the past 10 years?

A1: **At least three (3) years of the required years of experience for each individual key staff shall be recent experience within the last three (3) years. As stated in the advertisement, each key staff member has a minimum of three (3) years experience required, so you may also include projects prior to the most recent three (3) years.**

General questions relating to this Addendum No. 2 may be directed to [opcm@sha.state.md.us](mailto:opcm@sha.state.md.us). The time period for questions has expired; therefore no additional questions will be accepted or answered by SHA.
