PROJECT: GARAGE 22 – SILVER SPRING MD – WATER AND SEWER
INSTALLATION ON GEORGIA AVENUE (MD-97), BETWEEN COLESVILLE ROAD (MD-29) AND
FIDLER LANE

SUBJECT: GEORGIA AVENUE SILVER SPRING LANE CLOSURE – 8/24/25

Beginning August 24th, 2025, Whiting-Turner will close single and double northbound and southbound lanes (as necessary) on Georgia Avenue between Spring Street and Thayer Avenue.

Pedestrian and vehicular traffic will be directed through the work zone by temporary traffic control devices.

These lanes will be closed from 8/24/25 to 11/19/25 (various days) permitting, 9pm-5am Sundays through Thursdays. The duration of the work will be 65 working days, weather permitting.

Traffic Engineering Services will set up the proper signage and assist with the pedestrian detour. If you have questions regarding the closures during construction or have questions or comments on this notice, please contact Datahj Gibbs at dgibbs@go-tes.com or (240) 758-7665.

Thank you and your cooperation during this project will be greatly appreciated.

Sincerely,

Colin M. Casey
Senior Engineer – Rodgers Consulting, Inc.
