PERMIT NOTICE

Beginning, Monday October 23, 2023 at 10:00 am, Buch Construction, the general contractor for Edens at Burtonsville Crossing, will begin construction along Old Columbia Pike between MD 198 and the north side of the Burtonsville Crossing Shopping Center. The construction will involve replacement of a portion of an existing roadway lane immediately north of National Drive on Old Columbia Pike.

To complete this work, crews are permitted to close two northbound right lanes on Old Columbia Pike, while one northbound lane will remain in operation. If needed, the westbound right-turn lane on National Drive at its intersection with Old Columbia Pike may be temporarily closed. Maintenance of Traffic, per MSHA standard details and the approved MOT Plans, will direct vehicular traffic through the work zone during all work hours.

Those with questions regarding this work should contact Mr. Zac Quattrone, Buch Construction Project Manager, at 724.825.6234, or zquattrone@buch.us.com
