

**STILWELL
UTILITIES**

Subject: Re: (7615 Wisconsin
Avenue)
Re: Revised Public Notice

PUBLIC NOTICE

Stillwell Utilities will be implementing double and single lane closures on northbound Wisconsin Avenue between Avondale Street and Middleton Lane to install new water and sewer service laterals connecting to mains within Wisconsin Avenue.

Pedestrian and vehicular traffic will be directed through the work zone by temporary traffic control devices as well as flagmen.

This work will take place from 4/27/2025 to 5/08/2025 from Sunday to Thursday between the hours of 9:00pm to 5:00am.

Traffic Engineering Services will help to setup the proper signage and assist with the pedestrian detour. Should you have any questions please contact Stephanie Kehoe, Project Coordinator at Traffic Engineering Services at 301-549-1950. Thank you and your cooperation during this project will be greatly appreciated.
