**To all Residents and Businesses,**

Silver Spring Metro Work

We are sorry to inform you that we will temporarily occupy Colesville Rd. between Wayne Ave. and East West HWY to place a Forklift Lull to hoist Escalator Equipment and Materials for Metro. Work will be done from 9/11/22 to 10/13/22 from 10pm to 6am (Sunday through Friday) while Metro is closed to lessen the impact on the public. We will have certified flaggers help direct pedestrians on sidewalk for their safety. Signage will be in place to help motorists thru work zone. Any questions or concerns prior to start of work please contact Traffic Supervisor Francisco Reyes (240) 481-6366.

THANKS,

*Francisco Reyes*
