Reston, VA 20190

August 16, 2022

Rochambeau - French International School  
9650 Rockville Pike  
Bethesda, MD 20814

This Public Notice is to inform you of planned scheduled work to be performed by Turner Construction Company beginning Wednesday, 08/17/2022 through Friday, 09/09/2022 on MD-355 Southbound (Rockville Pike) between the intersections of Pooks Hill Road and Alta Vista Road.

To complete this work safely, the right lane of MD-355 Southbound will be closed following the Pooks Hill Road intersection to just before the intersection of Alta Vista Road. Additionally, the middle lane will also be closed temporarily on Tuesday, 08/16/2022 between the hours of 10:00 PM and 5:00 AM to safely install temporary traffic control measures for the lane closure. Drivers and pedestrians should travel undistracted through the work zone and be aware of changing vehicular and pedestrian traffic patterns.

During these closures, Turner Construction will utilize traffic control and signage to maintain a safe traffic control pattern for both vehicles and pedestrians. A 5' width pedestrian crossing will be available for foot traffic between Pooks Hill Road and Alta Vista Road while the sidewalk is closed. Should you have any additional questions please feel free to contact:
