Re: CONCRETE RESTORATION 5700 BLK BROOKSIDE DRIVE/5800 BLK HIGHLAND DRIVE

During the evolving coronavirus outbreak, WSSC Water remains committed to protecting public health and ensuring safe, clean water continues to flow to your homes. In keeping with this commitment, WSSC Water will be making critical repairs to our system, as part of the Little Falls and Rock Run Basin Sewer Rehabilitation Project.

WSSC Water will be conducting Concrete Placement to restore roadways affected by construction activities. **This work will take place starting on Wednesday, September 14th, through Friday, September 16th, from 8:00 a.m. to 5:00 p.m. for the 5700 Blk. of Brookside Drive. Monday, September 19th through Friday, September 23rd, from 8:00 a.m. to 5:00 p.m. for the 5800 Blk. of Highland Drive** In the event of technical difficulties or inclement weather, work will take place on Day of **Monday, September 26th through Wednesday, September 28th, from 8:00 a.m. to 5:00 p.m. for the 5700 Blk. of Brookside Drive. Monday, October 3rd through Friday, October 7th, from 8:00 a.m. to 5:00 p.m. for the 5800 Blk. of Highland Drive.**

WHAT TO EXPECT

- **Lane Closures:** Motorists are encouraged to plan ahead as lane closure will cause delays in the 6800 block of Wisconsin Avenue, during working hours. Safety cones and signs will be in place to keep the work zone safe.
- **Additional Noise:** The use of generators, pumps, pipe saws and large construction vehicles will be needed to complete this work. As a result, residents will notice a significant increase in noise during working hours.
- **Water and Sewer Services:** Customers should not lose water or sewer service as a result of this work. Should you experience any changes in your service, **please report it to our Emergency Call Center at 301-206-4002 or emergencycallcenter@wsscwater.com.**
- Access to homes and businesses will be maintained at all times.
