

Traffic Engineering Services

7121 Dorsey Run Road

Elkridge, MD 21075

Phone: 301-549-1950

Fax: 301-549-1951

PUBLIC NOTICE

Davis Construction will be occupying the far-right lane on southbound MD 355 (Wisconsin Avenue) to place a dumpster, which will be removed daily. They will be working on the building at 7700 Wisconsin Ave and will use a flagging operation to assist pedestrians and all road users through the work zone. This work will take place between 4/13/2021 to 5/31/2022.

Traffic Engineering Services is responsible for all work zone signage and for assisting road users. Should you have any questions please contact Stephanie Kehoe, Project Coordinator at Traffic Engineering Services at 240-446-6775. Thank you for your cooperation during this project.

**Let us handle all your traffic control needs from beginning to end.
Serving all of Maryland, Washington DC, and Virginia**
