PURPOSE

To issue revised specifications documents and new Special Provisions Inserts (SPIs) to the July 2025 Maryland Department of Transportation State Highway Administration (SHA) Standard Specifications for Construction and Materials. These updates are listed below.

SUMMARY

The latest versions of our revised specifications documents and new SPIs, dated April 23, 2026, are located on the SHA Internet website at <https://www.roads.maryland.gov/mdotsha/pages/sscm.aspx?PageId=853&lid=SSP>, on the SHA Project Development Hub, and on the Invitation for Bids System managed by SHA. All projects advertising on or after May 12, 2026, must include these revised specifications. Advertised projects that require an addendum for some other reason should include these revised specifications, if applicable.

The following specifications were added, deleted, or revised:
