**PURPOSE OF MEMORANDUM**

To issue revisions to the MDOT SHA Maryland Standard Method of Test - MSMT 732.

**SUMMARY**

The following revisions are made to the MDOT SHA Maryland Standard Method of Test - MSMT 732:

1. Change of name; “National Transportation Product Evaluation Program (NTPEP)” to “AASHTO Product Evaluation and Audit Solutions”.
2. Build America, Buy America (BABA) statement, “The Manufacturer shall disclose the products compliance with Build America Buy America (BABA) requirements, on the MARV Letter. Products may be listed whether they are or are not BABA compliant. However, products that are not BABA compliant will not be eligible for certain projects”, is added under section “MANUFACTURER” on Page 1 and Page 2.

The Maryland Standard Method of Test – MSMT 732 will be available at:  
<https://www.roads.maryland.gov/OMT/msmt732.pdf>.

If you have any questions or comments regarding these changes and updates, please contact Corey Johnson at [CJohnson15@mdot.maryland.gov](mailto:CJohnson15@mdot.maryland.gov) or 443 -572-5172.
