

CIVIL RIGHTS UNDER TITLE VI

Commercial vehicle safety in Maryland is enhanced by a comprehensive program of enforcement provided by the partnership of over 25 state and local enforcement agencies conducting inspections, traffic stops and in-terminal compliance and safety audits. Maryland has a very aggressive enforcement program, weighing over 1,000,000 trucks and inspecting more than 100,000 trucks every year. The Maryland State Highway Administration and all of their enforcement partners are committed to conducting commercial vehicle enforcement in compliance with the provisions of Title VI of the Civil Rights Act of 1964 and related statutes. All enforcement actions are conducted in strict compliance with the Federal Motor Carrier Safety Regulations and all of the Federal Highway Administration size and weight laws without regard to race, national origin, age, color, sex, limited English proficiency, income level or disability. Any questions or concerns concerning discrimination in our enforcement program should be directed to the Motor Carrier Division of the Maryland State Highway Administration at 410-582-5734, or Toll-Free at 1-800-546-6435.
