UPCOMING A&E SOLICITATIONS

This notice serves to provide consultants with advanced information pertaining to upcoming Architectural and Engineering (A&E) contracts to be solicited through eMaryland Marketplace Advantage (eMMA) for the State Highway Administration (SHA).

eMMA is the official website used by SHA to solicit all A&E contracts. The below listed table provides consultants with a list of *anticipated* procurements to be solicited through eMMA. The list provided below is subject to change at the state’s discretion without notice.

SHA *will not* disclose any additional information related to these procurements including timing, scope, or services requested.

All consultants must wait until the solicitation is posted on eMMA to ask questions related to these procurements.
