PURPOSE

To issue revised specifications documents and new Special Provisions Insert (SPI) to the July 2021 Maryland Department of Transportation State Highway Administration (MDOT SHA) Standard Specifications for Construction and Materials.

SUMMARY

The latest version of our revised specifications documents and new SPI, dated January 6, 2022, is located on the MDOT SHA Internet website at <https://www.roads.maryland.gov/mdotsha/pages/sscm.aspx?PageId=853&lid=SSP>, on the MDOT SHA Project Development Hub, and on the Invitation for Bids System managed by MDOT SHA's Administration. All projects advertising on or after January 25, 2022, must include these revised specifications. Advertised projects that require an addendum for some other reason should include these revised specifications, if applicable.

The following specifications were added, deleted, or revised:

<u>File</u>	<u>Description</u>
003-toc.docx	TABLE OF CONTENTS. Updated.
900-902.docx	PORTLAND CEMENT CONCRETE AND RELATED PRODUCTS. Revised specification.

If there are any questions regarding these updates, please contact Jared Paper-Evers, P.E., MDOT SHA Office of Highway Development Assistant Division Chief, at 410-545-8400, or via email at jpaperevers@mdot.maryland.gov.
