

**STATE OF MARYLAND
DEPARTMENT OF TRANSPORTATION
STATE HIGHWAY ADMINISTRATION**

NOTICE

The purpose of this Notice is to advise Contractors that the State Highway Administration (SHA) will be holding an INFORMATIONAL MEETING on the following CONSTRUCTION MANAGEMENT AT RISK (CMAR) project:

- MD 97 Brookeville Bypass - South of Brookeville to north of Brookeville

CMAR is an alternative project delivery method in which a Contractor is procured utilizing the Competitive Sealed Proposal process to provide a range of preconstruction services to SHA during the design phase of a project. These services may include, but are not limited to, constructability analysis, value engineering, scheduling, site assessments, and cost estimating. The Contractor would act as a general contractor during the construction phase upon agreement with SHA to deliver the project at a Guaranteed Maximum Price.

Project Description:

The project is located in Montgomery County and begins south of Brookeville and ends north of Brookeville. The project proposes to provide a two-lane roadway with shoulders on a new alignment and two roundabouts: one at the southern termini and one at the northern termini.

The scope of the project is anticipated to include grading, pavement construction, bridge construction, culvert construction, culvert replacement, retaining walls, removal of a bridge, sidewalk, drainage, stormwater management and erosion and sediment control, maintenance of traffic, maintenance of stream flow, signing and marking, lighting, wetland and stream mitigation, landscaping, and reforestation.

This meeting will be held on **Friday, March 27, 2015 beginning at 10 AM** at:

Maryland State Highway Administration Headquarters,
Training Rooms 2 and 3
211 East Madison Street
Baltimore, Maryland 21202

The presentation will include the following parts:

- 1) A brief overview of the MD 97 project
- 2) An overview of the CMAR project delivery process
- 3) The procurement process for this CMAR contract

The SHA desires to receive feedback from contractors in order to address any issues or concerns prior to the issuance of the Request for Proposals for this contract. If your company is interested in pursuing this contract, we encourage you to attend this presentation.

If you need additional information prior to this presentation, please contact the project specific email address at:
