Introduction:

The following information contained in the “Maryland State Highway Administration Technician Certification Renewal Policy” should be thoroughly reviewed by Technicians. The Office of Materials Technology (OMT) manages the Maryland Program which is also part of the Mid-Atlantic Region Technician Certification Program (MARTCP).

If, after reading this document, you are unsure of the proper procedure to follow for your related certification discipline, contact one of the following individuals:

Lisa Alford 443-572-5040

If you have questions related to the Mid-Atlantic Region Program, they should be directed to Woodrow Hood.

Technician Certification Program Summary of Guidelines 2019

Code	Program Discipline	Course Provider	Cert. Period	Proficiency Verification During Certification Period	Requirement for Certification Renewal
1	Soils & Aggregate Compaction Technician	SHA Course	5 yrs	Independent Assurance Audits ³	Retake full course and/or pass written and performance exams
2	Aggregate Technician	Maryland Transportation Builders and Material Association ¹	5 yrs	Random Quality Assurance visits by Soils and Aggregate Team	Retake full course and/or pass written and performance exams
3	Concrete Field Technician	ACI	5 yrs	Independent Assurance Audit ³	Retake full course and/or pass written and performance exams
4	Concrete Plant Technician	NRMCA and SHA	5 yrs	Random Quality Assurance visits by Concrete Team	Apply for new card prior to expiration ²
5	Asphalt Field Technician	Industry and SHA	5 yrs	Independent Assurance Audits ³	Retake full course and/or pass written exam
8	HMA Plant Technician Level I	SHA Course	5 yrs	Independent Assurance Audits ³	Retake full course and/or pass written and performance exams
9	HMA Plant Technician Level II ⁴	SHA Course or SHA approved provider	5yrs	Independent Assurance Audits ³	Retake full course and/or pass written and performance exams
10	Pavement Marking Technician	Online Course provided by T2 Center	5 yrs	Random Quality Assurance visits by Pavement Marking Team ⁵	Retake full course and/or pass written and performance exams
11	Profiler Operator Technician	SHA	5 yrs	Independent Assurance Audits ³	Retake full course and/or pass written and performance exams

¹No course provided - manuals available from industry and exam provided by SHA

²Must meet requirements of NRMCA for re-certification to hold MARTCP Card. Maryland Card will be provided if certification was issued through SHA course

³Technicians that receive the minimum required satisfactory Independent Assurance Audits during their certification period are not required to retake the full course or sit for exams to be recertified. In these cases, the Technician would only need to apply for a new card

⁴The HMA Plant Technician Level I Certification is a mandatory pre-requisite for the HMA Plant Technician Level II Certification

⁵Not valid for recertification must retake the course.

Soils & Aggregate Compaction Technician – (Code 1)

Re-certification

Section A: By Examination

Prior to your certification card's expiration date, you may take Maryland's Soils & Aggregate Compaction certification written and performance examinations. You may elect to take these examinations with or without classroom participation.

Section B: By Reciprocal Certification

You may obtain re-certification through reciprocity by submitting the following:

Completed application (form on page 18); documentation of an up-to-date certification from an approved certifying organization (such as: VDOT, WVDOT, etc.); your company's name, address, phone number, and contact person to receive an invoice.

Send to: Maryland State Highway Administration
Office of Materials Technology
7450 Traffic Drive
Hanover, Maryland 21076
Attention: Lisa R. Alford

After this information is received, the Certification will be issued. Do not send payment at the time of submission. You will be invoiced later by SHA's Office of Finance for \$50.00.

Section C: By Independent Assurance Audits

If you receive a minimum of three (3) satisfactory audits during your certification period, you qualify for certification renewal without retaking the Soils & Aggregate Compaction class and/or passing the written and performance exams. Audits must have been performed in different years, and, one (1) of the three (3) audits must have been received in the last year of the certification period.

To become re-certified, prior to your certification card's expiration date, submit the following:

Completed application (form on page 18); IA Audit receipts; your company's name, address, phone number, and contact person to receive an invoice.

Send to: Maryland State Highway Administration
Office of Materials Technology
7450 Traffic Drive
Hanover, Maryland 21076
Attention: Lisa R. Alford

After this information is received, the Certification will be issued. Do not send payment at the time of submission. You will be invoiced later by SHA's Office of Finance for \$50.00

To schedule future Independent Assurance Audits, contact the appropriate I.A. Auditor listed on pg. 8 of the "Technician Certification Program Training / Testing Information" brochure. You may download the brochure by visiting our website at: <http://www.roads.maryland.gov/Index.aspx?PageId=53>

Note: If you became certified after December 31, 2005, one (1) of the three (3) audits must have been received in the last year of the certification period.

Failure to comply with either Section A, B, or C by your expiration date will result in loss of certification.

For Technician Certification Program information and to apply for certification, contact Lisa Alford at 443-572-5040.

Aggregate Technician – (Code 2)

Re-certification

Section A: By Examination

If you receive a minimum of (3) successful Quality Assurance Audits and the 3rd audit being perform in the 5th year of your certification period, you qualify for certification renewal without retaking the Aggregate Technician test and/or passing the written and performance exams.

To become re-certified, prior to your certification card's expiration date, submit the following:
Completed application (form on page 18); Quality Assurance Review receipts; your company's name, address, phone number, and contact person to receive an invoice.

Section B: By Reciprocal Certification

You may obtain re-certification through reciprocity by submitting the following:
Completed application (form on page 18); documentation of an up-to-date certification from an approved certifying organization (such as: VDOT, WVDOT, etc.); your company's name, address, phone number, and contact person to receive an invoice.

Send to: Maryland State Highway Administration
Office of Materials Technology
7450 Traffic Drive
Hanover, Maryland 21076
Attention: Lisa R. Alford

After this information is received, the Certification will be issued. Do not send payment at the time of submission. You will be invoiced later by SHA's Office of Finance for \$50.00.

**Failure to comply with either Section A or B by your expiration date will result in loss of certification.
For Technician Certification Program information and to apply for certification, contact Lisa Alford at 443-572-5040**

*Transitional Policy for Determining Quality Assurance (QA) Review
Requirement for Re-certification of Aggregate Tester Plant/Field

Re-certification by Quality Assurance Review applies to technicians who have taken the Aggregate Tester Plant/Field test in Maryland. Technicians are required to get 3 Quality Assurance Audits the 3rd audit must be performed in the 5th year, certification is good for 5 years.

Technicians who have a reciprocal certification from another approved certifying organization such as VDOT or PENNDOT are required to be recertified by their original certifying agency.

The following chart indicates the number of QA Review that you need to become re-certified in accordance with the Mid-Atlantic Region Technician Certification Program (MARTCP) Transition Policy. It is the technician's responsibility to contact the QA Team Leader (Stuart Sommers) at 443-695-0927 to assure required Quality Assurance Review are received.

Office of Materials Technology
2019

Concrete Field Technician – (Code 3)

Re-certification

Section A: American Concrete Institute (ACI)

To maintain your ACI certification and receive MARTCP certification, prior to your certification card's expiration date, you are required to contact ACI for re-certification as Concrete Field Testing Technician Grade I. Available contacts for re-certification are listed below and at the ACI website: www.aci-int.org.

Maryland Chapter ACI
Primary Contact: Lisa Allen
Phone Number: 301-694-4899

After receiving your ACI Re-certification, you must apply for Reciprocal Certification (*MARTCP card*) in accordance with Section "B" Below.

Section B: By Reciprocal Certification

You may obtain re-certification through reciprocity by submitting the following:
Completed application (form on page 18); documentation of an up-to-date certification from an approved certifying organization (such as: ACI, VDOT, WACEL, etc.); your company's name, address, phone number, and contact person to receive an invoice.

Send to: Maryland State Highway Administration
Office of Materials Technology
7450 Traffic Drive
Hanover, Maryland 21076
Attention: Lisa R. Alford

After this information is received, the Certification will be issued. Do not send payment at the time of submission. You will be invoiced later by SHA's Office of Finance for \$50.00.

Section C: By Independent Assurance Audits

Re-certification by Independent Assurance Audits applies only to Technicians who can document certification through ACI, regardless of whether you have a certification from another approved certifying organization such as: VDOT, WACEL, Penn DOT etc.

If you receive a minimum of three (3) satisfactory audits during your certification period, you qualify for certification renewal without attending the ACI re-certification class and/or passing the written and performance exams. Audits must have been performed in different years, and, one (1) of the three (3) audits must have been received in the last year of the certification period.

To become re-certified, prior to your certification card's expiration date, submit the following: **Completed application (form on page 18); IA Audit receipts; your company's name, address, phone number, and contact person to receive an invoice.**

Send to: Maryland State Highway Administration
Office of Materials Technology
7450 Traffic Drive
Hanover, Maryland 21076
Attention: Lisa R. Alford

After this information is received, the Certification will be issued. Do not send payment at the time of submission. You will be invoiced later by SHA's Office of Finance for \$50.00

To schedule future Independent Assurance Audits, contact the appropriate I.A. Auditor listed on pg. 8 of the "Technician Certification Program Training / Testing Information" brochure. You may download the brochure by visiting our website at: <http://www.roads.maryland.gov/Index.aspx?PageId=53>

Failure to comply with either Section A, B or C by your expiration date will result in loss of certification. For Technician Certification Program information and to apply for certification, contact Lisa Alford at 443-572-5040.
